Contact Mireille Harr (receptionist)
303-791-4747
wellness@coequine.com

7. **Would you recommend this experience?**

Yes- for anyone interested or unsure whether or not they want to pursue equine medicine

8. **Further Comments**

Before this experience, I was unsure whether or not I wanted to do equine medicine. After, I was sure it was not for me. Not because it was a bad experience, just simply because it does not interest me the same way that working with wildlife and exotics or small animals does.
