How long have you wanted to be a veterinarian and why?

What type of veterinary medicine are you interested in? Check all that apply:

_____ Small animal (cat and dog)

_____ Equine

_____ Large animal, not equine (cattle, sheep, etc.)

_____ Avian/poultry

_____ Wildlife

_____ Exotic/Zoo Animal

_____ Other- please specify: _____

Are you interested in veterinary research? ____ Yes ____ No

Have you worked with a veterinarian before? ____ Yes ____ No

If so, in what setting?

_____ Small animal practice

_____ Equine practice (hospital and/or ambulatory)

_____ Large animal practice (hospital and/or ambulatory)

_____ Any kind of research

_____ Wildlife ambulatory/rescue

_____ Other, please specify:

Do you have any non-veterinary animal experiences? (grew up on a farm, had a summer internship with a dog breeder, etc.) Please describe below:

What are some of your non-animal related extracurricular activities/hobbies?

Why would you make a successful mentor? Do you have any prior experience as a mentor? (please be specific)

Please list any expectations and/or goals you hope to achieve from PVPMP this year.

Please provide any suggestions that could improve your experience as both a mentor and applicant to veterinary school.
