 - a. *If in Ithaca, is self-transport necessary?*
Yes.
4. **Prior Experience Needed for Position:** yes/no
 - a. *If yes, please describe:*
No.
5. **Time Commitment Needed for Position:**
It is volunteer based. You sign up on a calendar the days when you are available to volunteer. Then you must attend a morning and evening shift that day. Time can range from 2 hours a day to 5-6 hours or more.
6. **Experience/Facility Contact Info: please list contact person name, number and/or email address**

Suzette Proper
Cornell University Hospital for Animals
C3507 Clinical Program Center
VMC Box 19
607-253-4238

7. **Would you recommend this experience?**

Definitely

8. **Further Comments**

It is a great opportunity to get hands on clinical experience. Volunteers learn how to administer drugs, treat emergency cases, read radiographs, perform a physical exam, and so much more. It is also a good opportunity to get in contact with many different veterinarians.
